

# List of designated evacuation shelters / areas

Designated emergency evacuation areas  
Evacuation areas to which you can escape danger when a disaster occurs or when there is concern that one may occur.

Designated evacuation shelters  
Facilities where you can stay temporarily until the danger of the disaster has dissipated.

Welfare evacuation shelters  
Facilities to which people requiring some kind of special consideration, such as the elderly or disabled, can evacuate.

Evacuation areas or shelters with this mark cannot be used for tsunamis.
